

A PEOPLE-FIRST platform that enables managers to create HUMAN-FIRST WORKPLACES

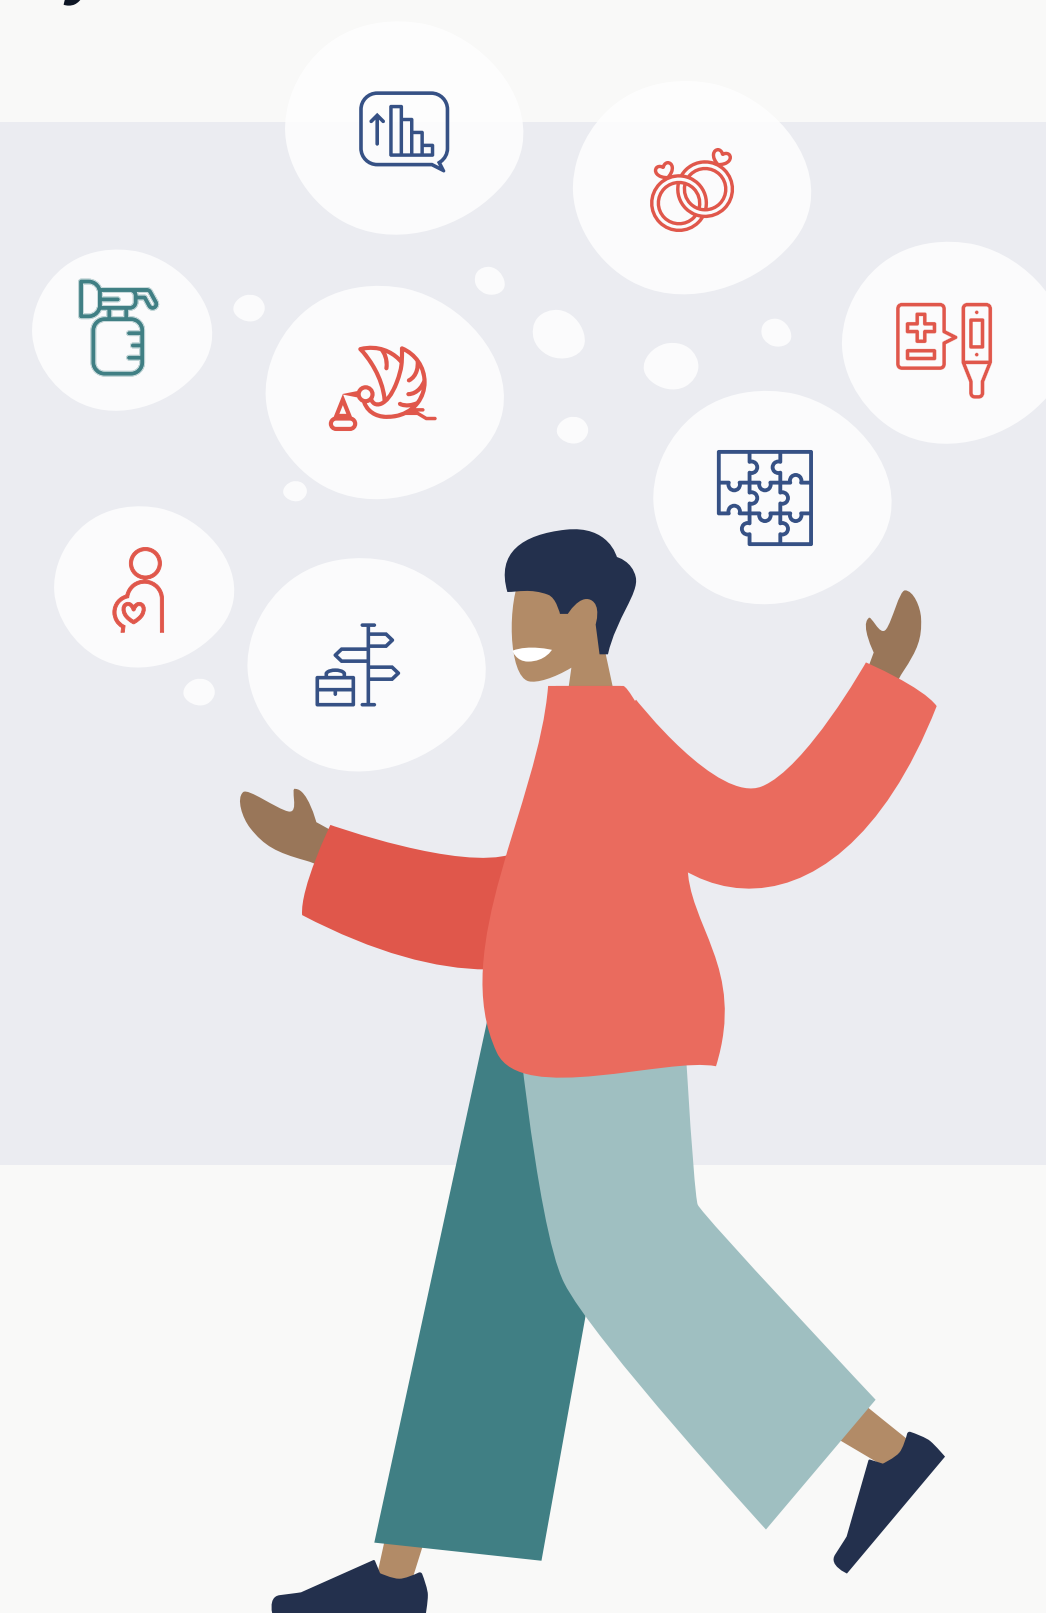

Villyge helps managers to show up personally and professionally for their employees - what today's workplace demands. With Villyge, managers become better leaders and employees experience greater belonging and engagement to drive productivity forward.

Half of all Managers

44% find managing employees' personal happenings to be the **most challenging** part of the job.

Half of all Employees

49% have **left jobs** because their boss was NOT sympathetic to their personal struggles.

With Villyge, managers receive the just-in-time guidance they need to show up when it matters most and employees receive the support they need, through Life Events and beyond...

Villyge is scaling empathy across organizations and revolutionizing the way organizations think about employee support.

CHROs have known for years the positive impact that caring, empathetic leaders have on business results. However, it's been very hard to develop great managers at scale. We've all been searching for a tool that teaches managers to lead with empathy, one that can scale across an entire organization.
